How to Play

HockeyMania is an exciting sweepstakes fundraiser based on professional hockey.

All game cards have an equal chance to win \$1,000s in prize money based on the performance of the random hockey teams printed on the back. Game cards contain 3 random teams in each of the last 15 weeks of the professional hockey season (you get 3 new teams each week). To play the game, participants simply add up the goals scored by the 3 teams printed on their cards in a given week. Each week, the 16 highest scoring cards, and the 4 lowest scoring cards, win prizes... a new chance in each of the 15 weeks of the sweepstakes! There are 4,960 unique game cards, each of which has a minimum 1 in 16.9 chance to win a prize during the season.

Game Start Date December 27, 2021

HockeyMania Sweepstakes Rules

[1] Your game card contains 15 different teams randomly generated and randomly assigned to the pro hockey season beginning on 12/27/21. Prize winners are based on the combined card: weekly winners are based on the total goals scored; Grand Prize winners are based on your card after all 15 weeks. [2] If two or more cards have the same total goals scored, "total shots on goal" is used as the primary tiebreaker. [3] Minimum odds of winning: 1 in 16.9 for the entire season; 1 in 248 in each week; 1 in 2480 for a grand prize. [4] No purchase necessary to play. Void where prohibited. [5] Sweepstakes ends on after all games played. [6] To enter the sweepstakes, the organization on the front of this card must activate the card number. To request a free game card, ask the organization in person (see contact info on front of card) for a "free game card request form", complete the form, and mail to the address shown on the request form along with a self-addressed stamped envelope postmarked by week 8. A game card will be assigned to you and mailed in the return envelope sent with your form. [7] See website for additional details and to view winning cards.
