Blessings in a Backpack Overview

- Blessings in a Backpack is a “neighbor-helping-neighbor” program which is designed to help meet the nutritional needs of children and families.
- Each week, volunteers distribute backpacks filled with enough non-perishable food for the weekend (six meals) to students suffering from food insecurities.
- Each backpack contains several pounds of foods such as tuna, chicken, peanut butter, macaroni and cheese, soup, fruit juices, pastas, oatmeal, chewy granola bars, and ramen noodles.
- While it seems unlikely that children in any city in Michigan would go to bed hungry on weekends, in reality, between 4% and 88% of the students in the school districts are at risk.
- The goal of the Blessings in a Backpack program is to keep these students from going hungry on the weekends and remove barriers to academic success.
- The Blessings in a Backpack-Warren Consolidated program is currently serving over 900 children in our schools.

Benefits of the Program

- Research shows that healthy, well-nourished children learn better, are more likely to attend school and are able to take advantage of educational opportunities.
- This program is making a difference in the lives of children. Nationwide studies demonstrate:
 - Improved Test Scores
 - Increased Attendance
 - Greater Attention Span
 - Improved Class Atmosphere

Sponsor a Backpack

- We are able to purchase food at a reduced rate. Because of this, your donation of \$140 will provide food to one Warren Consolidated School District child each weekend for an entire school year!
- All money donated is tax deductible as Blessings in a Backpack--Warren Con is a Component Fund of the Community Foundation of Greater Rochester
